

Application to join Tenminds Business Advantage

Tenminds Business Advantage welcomes membership applications from representatives of businesses that trade on a full-time basis as a sole trader, a partnership, a limited liability partnership, a limited company, or a plc.

The representative must hold a senior position within that business, e.g., proprietor, owner, partner, director, or executive manager.

To avoid conflicts, the club allows only one member from each business category. The club treats each application on its individual merits.

Members pay a one-off enrolment fee of £150 on acceptance of membership. They must also set up a standing order for £40 per month to cover weekly breakfasts and day-to-day admin. Full terms and conditions are available from the club Secretary.
